The report is available on the following public web site, so please have the librarian download it for herself:

[www.ourPassaic.org](http://www.ourPassaic.org)

Go to "Project Activities" on the left hand side, click on "Conceptual Site Model". The report is the 2nd one on the list.

George, I'll ask Alice Yeh to look into this and get back to you.

Good Morning Ray,

Hope you had a nice weekend!

Friday we received a web e-mail inquiry from a librarian from Bowles Rice McDavid Graff & Love that is trying to locate a report that she believes was prepared for EPA Region 2 in 2006 by Macolm Pirnie, Inc. The Report is:

"Malcolm Pirnie. 2006. Draft Geochemical Evaluation (Step 2), Lower Passaic River Restoration Project. Contract No. DACW41-02-D-0003. Prepared for U.S. Environmental Protection Agency, Region 2 and U.S. Army Corps of Engineers, Kansas City District. Malcolm Pirnie, White Plains, NY. March 2006."

Do you guys have this Report and can we send her a copy. If you do, I can tell her to contact you. If you don't have a copy, can you please provide contact information for Malcom Pernie to allow her to obtain a copy through them.

Thank you so much for your continuous assistance!

Have a nice day,  
George
